Switching from FS

With the introduction of DigiScratch2 we have a special offer for FS users who want to switch to DigiScratch. You keep Your FS hardware (1.x USB) and receive the latest DS2 software with timecode vinyl record and CD for only 199 Euro. That way You can use all of DigiScratch's features (i.e. live loops, sample player, cue points and more) that can be used with Your soundcard (FS 1.x USB). Microphone recording or MIDI I/O require a better soundcard.

Only 199,00 €

Since we need proof that You are an actual FS user, please send us the original FS Installer CD.
